

## “HOW THE INTERNET CHANGES ACTIVISM”

### Topics Discussed:

1. Social Media
2. Blockchain and Cryptocurrency
3. Millennial Engagement
4. "Fake News" online
5. Privacy and Surveillance
6. Net Neutrality
7. Do Online Petitions Help Anything?
8. Algorithms and Filters

The overriding concern discussed amongst the group was the erosion of trust and authority. Additionally, concern was raised about how to find reliable online sources of news.
