

CUT TIES WITH GENOCIDE! CUT TIES WITH THE UAE!

The Canadian government is rapidly and aggressively strengthening our economic ties with the United Arab Emirates (UAE), a regime that is actively arming and facilitating a genocide in Sudan.

The UAE is the main sponsor of the genocidal Rapid Support Forces (RSF), a powerful militia responsible for unspeakable atrocities in Sudan, including acts that amount to war crimes, crimes against humanity, and genocide. The RSF has been carrying out systematic looting, arson, drone strikes on civilians and critical infrastructure, human trafficking, sexual violence, mass killings, and forced starvation through the repeated use of siege warfare. In Darfur, the RSF is openly committing a genocide against non-Arab ethnic groups, such as the Zaghawa, Masalit, and Fur peoples.

THE UAE'S SUPPORT TO THE RAPID SUPPORT FORCES

- Advanced drones (including suicide drones)
- Armoured vehicles
- Guided bombs
- Machine guns
- Ammunition
- Artillery
- Mortars
- Electronics jamming equipment
- Fuel
- 1,500-2,000 mercenaries from Colombia
- Training camps in Libya, Ethiopia, and the UAE
- Coordinated supply lines through Chad, Libya, South Sudan, Central African Republic, Ethiopia, Uganda, and Somalia.

On July 24, the Canadian government announced it had concluded negotiations for a Canada-UAE free trade deal in a record 47 days – one of the fastest trade deal negotiations Canada has ever done.

By moving forward with this deal, our government is deepening our economic complicity in one of the most brutal genocides of our time.

CANADA MUST CUT TIES WITH THE UAE!

The UAE has made it clear they will continue to arm the RSF militia as long as they can get away with it. We demand Canada cut ties with the UAE and take real action for the people of Sudan!

OUR DEMANDS

- 1 Immediately impose an arms embargo on the UAE
- 2 Fully investigate and prosecute all Canadian companies complicit in arming the RSF
- 3 Urgently deliver humanitarian aid to Sudan
- 4 Establish a special, expedited immigration program for Sudan
- 5 Suspend economic relations and halt trade deals with the UAE
- 6 Support an immediate ceasefire

📞 CALL THE GOVERNMENT! 📞

Hello, I'm calling to demand the Canadian government cut ties with the United Arab Emirates for arming the genocide in Sudan.

The UAE is the main backer of genocidal RSF and has supplied them with weapons, mercenaries, fuel, and logistical support as they carry out crimes against humanity and genocide. We should be doing everything we can to hold the UAE regime accountable but instead you are choosing to deepen ties with them. This is unacceptable!

Canada must cut ties with the UAE until it stops supporting the RSF!
